plantname	amount	price of one incl. Tax	price of all
Hedera helix (just for example)	2	2,50	5.-

Usually we use the mail service of DHL, the costs are the usual prices of DHL.

For insured packets up to 5kg within Europe: 17.- €

For insured packets outside Europe: please ask for, you will get an invoice especially for your country.

We don't substitute plants in cases that a plant is sold out.

Plants are living organism, it can happen that something is not available at the time of ordering. In this case we can talk about when it is available again.

For environmental protection and to make things not more expensive as it is nessecary we use re-usablely packing material.

Your order will be sended as soon as possible, depending from weather, we don't send when it is too cold or too hot because we want you to get good quality plants.

Behind this website human are working. If you ever feel we made a fault, please tell us and we will find a solution.
